

2009 Texas Gold Leaf Award Nomination Form

(You can enter your own work, the work of your organization or the work of another)

The Gold Leaf Award is designed to recognize an individual, organization, or community for outstanding Arbor Day programs or community landscape beautification projects. Projects should show an impact over several years.

Nominations for the award can be made in either of the following two categories:

Outstanding Arbor Day Activities – An award to recognize individuals, organizations, or municipalities that have promoted Arbor Day through special projects, ceremonies, news articles or observations with an Arbor Day theme.

Outstanding Landscape Beautification Activities – An award to recognize individuals, organizations, or municipalities that have made significant contributions through tree planting and landscaping which enhances environmental protection, conservation, beautification, energy conservation, or wildlife protection. Could also be for non-planting landscape activities that have had a positive impact in promoting tree care and tree preservation.
