RETREET is a nonprofit organization that redefines disaster relief by engaging communities to replant lost trees. To date, RETREET has planted 5,154 native and noninvasive trees, at no cost, for families rebuilding their neighborhoods in the wake of disaster across North America. You can learn all about our unique mission through our website (retreet.org) or on Facebook (facebook.com/retreet).

On November 3rd, 2018, RETREET will visit Port Aransas to plant trees for families rebuilding in the wake of Hurricane Harvey. RETREETers from all over the country will participate in the event.

We need local volunteers to join us on planting day. Participation is FREE but registration is required. Please sign up as a Planting Volunteer online at the link below. If you have any questions, please email them to info@retreet.org. We hope to see you on RETREET!
