

## 41<sup>st</sup> Texas Tree Conference & Trade Show

September 29 - October 1, 2021

The Texas Chapter of *International Society of Arboriculture* (ISA Texas) will host the **41st Texas Tree Conference and Trade Show** in Waco,

Texas for certified arborists and tree care professionals to learn the latest research, trends and issues affecting tree care and related green industries. Our state conference is the only one of its kind and though we are expecting over 1,000 attendees this year, we will take the necessary social distancing precautions to help keep our exhibitors, members, and guests safe.

Each year we hold a **silent auction and all proceeds go to local research, scholarships for arboriculture & urban forestry [college] students and other state-wide urban forestry/arboriculture initiatives**. This year's theme, *Little Tree, Big Shade*, illustrates the noticeable benefit of trees and it is particularly appreciated during our long summers where finding any semi-cool spot across the state becomes near impossible!

**Your support of the Silent Auction helps the ISA Texas Chapter promote the professional practice of arboriculture, and foster greater public awareness of the benefits of trees.** These donations can be your business's products or services, a home improvement store gift card, passes or vouchers to family activities, hunting and/or fishing trips (or supplies), hand tools, power tools or personal protective equipment/gear. Over the years, handcrafted and artisan items, particularly tree or nature themed items, create a big draw to the silent auction.

Please let me know if you have any questions, need to schedule a donation drop-off time or would like further information in becoming a vendor or volunteer at the conference.

Sincerely,  
Ginny Sills  
2021 *Silent Auction Coordinator*
