

## Register today for the Texas Tree Conference

**(Early Bird registration ends Sept. 7th)**

The Texas Tree Conference is back live in 2021! Last year we enjoyed connecting virtually with you, but this year we can't wait to see your smiling face in person. Visit with old friends and make new ones, hear from great speakers, earn CEUs and more. There will be tracks for Commercial, Municipal and Utility Arborists with plenty of time to socialize and visit the exhibitors at the expanded Trade Show.

### **An Important Message From The Texas Chapter ISA President**

To those considering registering for Texas Tree Conference and Trade Show, I want to provide you with some important information that I hope will alleviate any concerns about attending or registering.

The conference committee has been meeting regularly preparing for this year's in-person event! We want to share some of the enhanced health and safety measures we and the Convention Center are taking to help keep everyone safe.

### **HEALTH AND SAFETY MEASURES**

We will be adhering to all current CDC guidelines. We will have hand sanitizing stations and KN95 masks available. We are also going to have the event spaces professionally disinfected each evening. The Waco Convention Center has an advanced Dedicated Outdoor Air System (DOAS) that brings fresh outside air into the meeting spaces. We will be setting up extra chairs in the meeting rooms so that you can socially distance. In addition, food will be

served in accordance to CDC guidelines, e.g. individually packaged or served by professional food staff.

The Texas Chapter ISA maintains its responsibility to protect the health and wellbeing of its members, conference attendees and the general population while serving its mission to provide education, outreach, research and service dedicated to the beneficial management of trees in Texas.

See you in Waco!

---

Don't wait, donate now to Silent Auction at the Texas Tree Conference and help fund ISAT student scholarship!

These donations can be your business's products or services, a home improvement store gift card, passes or vouchers to family activities, hunting and/or fishing trips (or supplies), hand tools, power tools or personal protective equipment/gear.

Over the years handcrafted and artisan items, particularly tree or nature themed items, create a big draw to the silent auction.

Contact Ginny Sills at [ginny.sills@gmail.com](mailto:ginny.sills@gmail.com) for more information and to donate.

---

**Got a Poster to Share?**  
**Register to show your poster**

ISA Texas welcomes poster submissions from all walks of life including private industry, academia, local or state government, the GIS community, and many more!

Posters are still being accepted for the 2021 Texas Tree Conference!  
Deadline: September 24th
