

RAINBOW ECOSCIENCE PRESENTS

# Plant Healthcare Field Day

## DESCRIPTION

Plant healthcare is unlike anything else in the Green Industry and requires specialized tools to perform the work properly.

Rainbow Ecoscience and APWA have come together for a half day infield PHC event. Combining world-class horticultural and arboricultural research with a ground-up understanding of day-to-day operations of running a service company.

Attendees will be leaving with a toolbox of knowledge on plant growth regulators, prescription fertilization and application techniques.
